

Vitality by M – Vitamini C Mask by Matis Paris is fresh and delicious and rich in vitamin C, antioxidants, and the extract of goji berry and oligo elements. It is perfect for radiant skin in just 10 minutes! Apply a thick layer to the face and neck avoiding the eye area, leave on for 10 minutes, and then rinse with water. It was tested under dermatological control. 972-771-0300 or www.myrdm.com

Make Up First®'s fard crème was manufactured in France first by Maqpro for Make Up First® School of Makeup Artistry. These beeswax-based foundations, concealers, and lip and cheek palettes are available in 96 shades of vibrant color and provide flawless, waterproof coverage for all skin types. 312-621-0801, www.makeupfirst.com or RR# 705

MediTouch's Therapeutic Acne Control Treatment Lotion is designed to control oil, blemishes, and redness. It also helps prevent new breakouts with salicylic acid and sulfur, which make a powerful blend for excellent exfoliation with great healing action. This lotion is a necessity for teenage acne and grade II acne sufferers and can be used daily. It is a therapeutic blend for oily and rosacea skin type. Zinc and titanium dioxide provide exceptional environmental protection. 559-909-3111, www.sksmeditouch.com or RR# 684

Mineral Mine's Touch of Sun Bronzer gives that just-back-from-the-beach look. Get a sun-kissed glow and give skin a healthy dose of sunshine with this paraben and talc-free, lightweight mineral-based bronzer. It allows the skin to breathe, retains moisture, and provides excellent coverage. Perfectly packaged in a pump brush, the soft bristles transfer the bronzer flawlessly. 800-338-1423, www.mineral-mine.com or RR# 154

SPRAYTANS™'s Suncube G5 raises the bar both for over-spray control and spray tanning technique. Salon owners can achieve a cleaner work environment and flawless spray tan applications using the new patented Suncube HVLP G5 laser system. When tested by the EPA, it reduced over-spray by almost 30 percent. 877-263-6331 or www.spraytans.com

Cell Therapy Antioxidant Boost by Meg 21 is a perfect synergy of Supplamine® and antioxidants designed to balance and soothe skin from the start. It is infused with sodium hyaluronate to maintain moisture, multi fruit acids for gentle exfoliation, arnica to reduce irritation from hormonal breakouts, and calendula to soothe and heal the skin. 877-626-7949, www.meg21promo.com or RR# 203

Clarify Perfecting Silt Mask by Skin PhD is a professional mask that incorporates honeybush extract, an anti-inflammatory with kaolin (natural clay), allantoin for smoothing and repairing, and liposilt black, a 90 percent organic matter. Clinical studies have shown that it improves the surface characteristics of the skin, creating a more even skin tone and balancing moisture levels while simultaneously reducing sebum content. 888-855-5245 or www.skinphd.com
